Back from a year in New York where I worked as a teacher and designer, I look forward to redirecting my skills and experiences towards innovative projects.

Skills • Adobe Creative Suite, CSS, ES6/ Javascript, Github, Processing, Unity, Robofont, typography, type and web design, vector illustration, risograph printing. Bilingual (French and English), German and Italian at B1 level. Comfortable with any teaching and administrative tasks.

Experience

Remote

05.2020 – Present

Freelance web design work

- Recently started doing freelance web design work commissioned by independant professionals.

New York, NY

09.2019 – 09.2020

The Language Workshop for Children NYC

- Administrator, in charge of management, enrollments, planning and communication with clients and teachers. Helped the school transition to remote learning starting March 2020.
- French and crafts teacher for children, aged 6mo to 10yrs.

Providence, RI

09.2018 – 06.2019

Risograph monitor

- Provided technical assistance and creative advising to students and faculty for printing on the Risograph. Initiated and trained new individuals and groups to using the machine.

New York, NY

06.04. – 08.20.2018

Verdes NYC Design Intern

- Worked on branding work for H&M and startups, such as Tuft.
- Budget management, ideation and production for the creation and the running of a one-week Pop-up shop on Canal St.

Providence, RI

06.2017 – 05.2019

RISD Fleet Library Photo Archive

- Assisted patrons in research pertaining to the visual archive, rentals and visits. Summer of 2017 and following semesters.

Providence, RI

09.2016 – 12.2017

Teaching Assistant in Design Foundation

- For Alejandro Borsani (09.2017 – 12.2017) and for Paula Gaetano (09.2016 – 05.2017).
- Assisted both faculty members in their respective First Year Design studio classes focused on physical computing and coding.
